11 September 2020

Dear Shareholder,

I am writing to explain in detail the matters to be dealt with at this year's Annual General Meeting (Meeting) to be held at the Company's offices at 6 Cheshire Avenue, Cheshire Business Park, Lostock Gralam, Northwich, CW9 7UA at 9.30 am on 27 October 2020. The formal notice of the Meeting, which is set out on pages 6 to 8 of this document (Notice), sets out the business to be considered at the Meeting. The purpose of this letter is to provide you with further details about those items of business.

If you have requested a hard copy of the Annual Report and Accounts, it should be enclosed with this Notice and the Proxy Form for the Meeting. If you receive your Annual Report and Accounts electronically or did not return the Shareholder Communication Response sent to you in August 2017, please accept this letter as notification that the Annual Report and Accounts and associated documents have now been published on the Investor Relations section of our website (www.dechra.com).

COVID-19: Attendance and Voting

Given the risk of a second wave of COVID-19 (and the resultant regulatory changes) which could ensue during the period between this Notice being sent and the date of the Meeting and to protect our employees, local community and shareholders' welfare we are discouraging all shareholders from attending the Meeting in person. This means the Meeting will be held only with the minimum number of persons in attendance as is legally required to form a quorate meeting. The Company Secretary and one of the Directors, each of whom are either a shareholder, a proxy or a corporate representative appointed by a shareholder, will attend the meeting. No business will be considered at the Meeting other than the resolutions dealt with in this Notice.

We will continue to monitor the impact of the pandemic, and you should monitor the Company's website (www.dechra.com/investor-relations/shareholder-meetings/current) and regulatory news announcements for any Meeting updates. **I would encourage you to vote on all resolutions by appointing the chairman of the Meeting as your proxy. Please do not appoint any other person (apart from the chairman of the Meeting) as your proxy as we may not be able to let them attend the Meeting and your vote may not be counted.**

If the chairman of the Meeting is appointed as proxy, they will vote in accordance with any instructions given to them. If the chairman of the Meeting is given discretion as to how to vote, they will vote in favour of each of the resolutions to be proposed at the Meeting. We are proposing to put all resolutions at the Meeting by the way of a poll rather than a show hands. This will allow the votes of all shareholders to be counted.

The Board recognises that the Annual General Meeting normally represents an opportunity to engage with shareholders and provides a forum that enables shareholders to ask questions of the Board. Should shareholders wish to put questions to the Board, these can be submitted by email to CompanySecretarial@dechra.com (please state "Dechra Pharmaceuticals PLC: AGM" in the subject line of the email and include your Shareholder Reference Number (as detailed on your proxy card)). These questions must be submitted by 23 October 2020. The Board will seek to respond to questions which are put forward in advance of the Meeting by publishing written responses on the Investor Relations section of our website after the Meeting together with results of voting.

Explanation of Resolutions

This year, shareholders will be asked to approve twenty resolutions. Resolutions 1 to 16 (inclusive) are proposed as ordinary resolutions requiring the approval of a simple majority of the votes cast at the Meeting. Resolutions 17 to 20 (inclusive) are proposed as special resolutions requiring the approval of 75% of the votes cast at the Meeting.

The Annual Report and Accounts (Resolution 1)

Shareholders will be asked to receive the Company's accounts, Strategic Report, Directors' Report and Auditor's Report for the year ended 30 June 2020.

Directors' Remuneration Report (Resolution 2)

The Company is required to seek shareholders' approval of the Directors' Remuneration Report (other than the part containing the Directors' Remuneration Policy) and a statement by the Remuneration Committee Chairman (together, the Directors' Remuneration Report). The Directors' Remuneration Report describes how the Company's Directors' Remuneration Policy has been implemented during the previous financial year and will be implemented in the current financial year, and this report can be found on pages 112 to 119 and 129 to 138 of the Annual Report and Accounts. The vote is advisory in nature and is not binding; the Directors' entitlements to remuneration are not conditional upon this Resolution being passed.

Directors' Remuneration Policy (Resolution 3)

As a separate resolution the Company is required to seek shareholders' approval of its Directors' Remuneration Policy (the Policy) as set out on pages 120 to 128 of the Annual Report and Accounts which includes a summary of the proposed changes. This vote is binding.

If approved, the Policy will take effect immediately following the Meeting. Once effective, the Company will not be able to make remuneration payments or loss of office payments to a current or past Director, unless the payment is consistent with the Policy or has otherwise been approved by shareholders.

If approved, the Policy will be valid for up to three financial years. If the Company wishes to change the Policy within this period, it will need to put the revised policy to a shareholder vote.

If, for any reason, the Policy is not approved by shareholders at the Meeting, the Company will continue to operate under the policy approved at the 2017 Annual General Meeting, and will subsequently seek shareholder approval for a new policy as soon as practicable.

Final Dividend (Resolution 4)

A final dividend of 24.00 pence per ordinary share is recommended by the Directors. Subject to approval at the Meeting, the dividend will be paid on 27 November 2020 to shareholders who are on the Register of Members at the close on business on 6 November 2020. The shares will become ex-dividend on 5 November 2020. An interim dividend of 10.29 pence per ordinary share was paid on 8 April 2020.

Election of Directors (Resolutions 5 and 6)

Paul Sandland was appointed as an Executive Director and permanent Chief Financial Officer of the Company on 30 October 2019 and Alison Platt was appointed as a Non-Executive Director of the Company on 1 March 2020 and therefore, in line with the Company's Articles of Association, they will offer themselves for election by the shareholders at the Meeting.

With over ten years' experience in senior finance roles in Dechra, Paul Sandland, our recently appointed Chief Financial Officer, brings with him a strong practical understanding of all parts of the Group and its needs, as well as an independence of mind and strong technical, strategic and commercial skills. His biographical details were set out in the announcement published by the Company on 30 October 2019 and can also be found on page 82 of the Annual Report and Accounts.

Alison Platt brings significant capabilities and experience both in Executive and Non-Executive roles in FTSE 100 and 350 companies, which will strengthen the Board. The Board is satisfied that Alison Platt is independent in accordance with the UK Corporate Governance Code 2018 (the Code). The Nomination Committee has considered Alison's commitments and has concluded that she has sufficient time to devote to the role. Her biographical details were set out in the announcement published by the Company on 28 February 2020 and can also be found on page 85 of the Annual Report and Accounts.

Re-election of Directors (Resolutions 7 to 13)

Notwithstanding the Company's Articles of Association which require just one-third of the Directors to retire by rotation at each annual general meeting, in compliance with the Code all Directors shall stand for annual re-election. All of the Directors who were appointed or re-appointed at the 2019 Annual General Meeting have indicated their willingness to offer themselves for re-election. The Nomination Committee has considered the time commitments of the Non-Executive Directors and has confirmed that they are satisfied that all of the Non-Executive Directors have sufficient time to meet their Board and Committee responsibilities.

The Board is satisfied that all of the Non-Executive Directors are independent and the Chairman was deemed independent on appointment in accordance with the Code. The Board, having considered the mix of skills, knowledge and experience of the Directors, confirms that each Director continues to perform his or her duties effectively, showing integrity and high ethical standards whilst maintaining sound, independent judgement in respect of all decisions taken at both Board and, where applicable, Committee level to ensure the Company's long term sustainable success.

Biographical details for each of the Directors are located on pages 82 and 85 of the Annual Report and Accounts. The review process of the existing Directors and the Company's assessment of independence are described on pages 92, 103 and 104 of the Annual Report and Accounts.

Re-appointment of Auditor and Auditor's Remuneration (Resolutions 14 and 15)

The Company is required to appoint an external auditor at each Annual General Meeting at which accounts are laid before the Company, to hold office until the conclusion of the next such meeting.

Resolution 14, on the Audit Committee's recommendation (the Audit Committee having evaluated the effectiveness and independence of the external auditor), proposes the re-appointment of the Company's existing external auditor, PricewaterhouseCoopers LLP, from the conclusion of the Meeting until the conclusion of the next Annual General Meeting at which accounts are presented.

Resolution 15 is a separate resolution which gives authority to the Audit Committee to determine the external auditor's remuneration.

Authority to Allot Equity Securities (Resolution 16)

The Directors may only allot shares in the Company (or grant rights to subscribe for, or to convert any security into, shares in the Company) if they have been authorised to do so by shareholders.

Resolution 16 renews a similar authority given at last year's Annual General Meeting held on 18 October 2019 and is in two parts.

Allotment of Shares

Part one of Resolution 16 will give the Directors authority to allot shares or to grant rights to subscribe for, or to convert any security into, shares in the Company up to an aggregate nominal amount of £360,055 as reduced by the aggregate nominal amount of any shares allotted or rights granted under part two of Resolution 16 in excess of £360,055. This amount (before any reduction) represents approximately one third of the issued ordinary share capital of the Company as at 10 September 2020, being the last practicable date before the publication of this Notice.

Rights Issue

In line with guidance issued by the Investment Association, if passed, part two of Resolution 16 will authorise the Directors to allot shares in the Company (and to grant rights to subscribe for, or to convert any security into, shares in the Company) in connection with a rights issue only up to a nominal amount of £720,110 (as reduced by the nominal amount of any shares allotted or rights granted under part one of Resolution 16). This amount (before any reduction) represents approximately two thirds of the issued ordinary share capital of the Company as at 10 September 2020, being the last practicable date before the publication of this Notice.

If given, these authorities will expire at the conclusion of the Company's next Annual General Meeting or, if earlier, 15 months from the passing of the Resolution. It is the Directors' intention to renew the allotment authorities each year.

The Directors have no current intention to exercise either of the authorities sought under Resolution 16, except under paragraph 16.1 of Resolution 16 to satisfy options under the Company's share option schemes if appropriate and to ensure that the Company has maximum flexibility in managing the Group's resources. The Board would use this authority only if satisfied at the time that it is appropriate to do to respond to market developments or to take advantage of business opportunities as they arise. The terms of this Resolution are in accordance with the latest institutional guidance (Share Capital Management Guidelines) issued by the Investment Association. If the Directors do exercise this authority, the Directors intend to follow best practice as regards to its use.

As at the date of this Notice, no treasury shares are held by the Company.

Disapplication of Pre-emption Rights (Resolutions 17 and 18)

Resolutions 17 and 18 will be proposed as Special Resolutions which, if passed, will enable the Directors to allot shares for cash or sell treasury shares for cash up to a maximum aggregate nominal amount of £108,016 without first having to offer them to existing shareholders in proportion to their existing holdings.

Resolution 17 will empower the Directors to allot shares or sell treasury shares for cash up to an aggregate nominal amount of:

- (i) £720,110 in connection with a rights issue; or
- (ii) £360,055 in connection with an open offer or other pre-emptive offer,

in each case to ordinary shareholders and to holders of other equity securities (if required by the rights of those securities or the Directors otherwise consider necessary), but (in accordance with normal practice) subject to such exclusions or other arrangements, such as for fractional entitlements and overseas shareholders, as the Directors consider necessary; and

- (iii) in any other case, up to an aggregate nominal amount of £54,008 (which represents approximately five per cent of the issued ordinary share capital of the Company as at 10 September 2020, being the last practicable date before the publication of this Notice).

Resolution 18 increases the Directors' powers under Resolution 17 to allot shares or sell treasury shares for cash (on a non-pre-emptive basis) up to a further aggregate nominal amount of £54,008, such that the combined powers under Resolutions 17 and 18 would be £108,016 (which represents approximately ten per cent of the issued ordinary share capital of the Company as at 10 September 2020, being the last practicable date before the publication of this Notice). The power under Resolution 18 would only be used for the purposes of financing (or refinancing, if such refinancing occurs within six months of the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Pre-Emption Group's Statement of Principles on Disapplying Pre-Emption Rights.

There are no present plans to exercise these powers and, in accordance with the guidelines issued by the Pre-Emption Group, the Directors do not expect to allot shares for cash (or sell treasury shares) on a non-pre-emptive basis pursuant to the authorities in Resolutions 17 and 18: (i) in excess of an amount equal to 5% of the issued share capital of the Company; or (ii) in excess of an amount equal to 7.5% of the issued share capital of the Company within a rolling three-year period, without prior consultation with the Company's shareholders, in each case other than in connection with an acquisition or specified capital investment which is announced contemporaneously with the issue or which has taken place in the preceding six month period and is disclosed in the announcement of the allotment.

In June 2020, the Company allotted 5,132,500 ordinary shares which represented 5% of the issued share capital as at 5 September 2019. The allotment was made pursuant to the Directors' general authority to allot ordinary shares for cash on a non-pre-emptive basis as approved by shareholders at last year's Annual General Meeting held on 18 October 2019.

If given, the powers in Resolutions 17 and 18 will expire at the conclusion of the Company's next Annual General Meeting or, if earlier, 15 months from the passing of these Resolutions. It is the Directors' intention to renew these powers each year.

Authority to Purchase Ordinary Shares (Resolution 19)

Resolution 19 will be proposed as a Special Resolution for the renewal of the Company's authority to purchase its own shares in the market during the period until the next Annual General Meeting of the Company for up to 10,801,676 shares, representing approximately 10% of the issued ordinary share capital of the Company as at 10 September 2020, being the last practicable date before the publication of this Notice.

The Directors have no current intention of exercising this authority to purchase the Company's ordinary shares, but consider the authority desirable to provide maximum flexibility in the management of the Company's capital base. The Company will only exercise this authority to make such a purchase in the market if the Directors consider it is in the best interests of the shareholders generally to do so and that to do so would result in an increase in earnings per share.

The Company is permitted to hold shares it has purchased in treasury, as an alternative to cancelling them. Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy options exercised under any of the Company's share schemes.

Whilst held in treasury, the shares are not entitled to receive any dividend or dividend equivalent (apart from any issue of bonus shares) and have no voting rights. The Directors believe it is appropriate for the Company to have the option to hold its own shares in treasury if, at a future date, the Directors exercise this authority in order to provide the Company with additional flexibility in the management of its capital base. The Directors will have regard to investor group guidelines which may be in force at the time of any such purchase, holding or re-sale of shares held in treasury. As at 10 September 2020 (being the last practicable date prior to the publication of this Notice), no shares were held in treasury.

On 10 September 2020 (being the last practicable date prior to the publication of this Notice) there were options over ordinary shares in the capital of the Company representing 0.78% of the Company's issued ordinary share capital as at that date. If the authority to purchase the Company's ordinary shares was exercised in full and those shares were subsequently cancelled, these options would represent 0.87% of the Company's issued and voting ordinary share capital.

If given, this authority will expire at the conclusion of the Company's next Annual General Meeting or, if earlier, 15 months after the passing of the Resolution. It is the Directors' intention to renew this authority each year.

Notice Period for General Meetings (Resolution 20)

Resolution 20 will be proposed as a Special Resolution and would allow the Company to hold general meetings (other than Annual General Meetings) on 14 clear days' notice. Annual General Meetings must always be called with at least 21 clear days' notice but other general meetings of the Company may be called on less notice if shareholders agree to a shorter notice period. The shareholders of the Company approved a resolution to call general meetings (other than Annual General Meetings) on 14 clear days' notice at last year's Annual General Meeting. Resolution 20 seeks approval to renew this right until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed.

The shorter notice period would not be used as a matter of routine for such meetings, but only where flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole and the matter to be considered is time sensitive. The Company meets the requirement under the Companies Act 2006 that a means of electronic voting must be provided to all shareholders if a general meeting is to be called on less than 21 clear days' notice.

Recommendation

The Directors believe that all of the Resolutions to be considered at the Meeting are in the best interests of the Company and its shareholders as a whole. They unanimously recommend that you vote in favour of all of the proposed Resolutions. The Directors will be voting in favour of all of the proposed Resolutions in respect of their own shareholdings in the Company.

 - (b) the Company is entitled to make offers or agreements before the expiry of such authority, which would or might require shares to be allotted or rights to be granted after such expiry and the Directors shall be entitled to allot shares and grant rights pursuant to any such offer or agreement as if this authority had not expired; and

17. That, subject to the passing of Resolution 16 and pursuant to sections 570 to 573 of the 2006 Act, the Directors are generally empowered to allot or make offers or agreements to allot equity securities (as defined in section 560(1) of the 2006 Act) for cash pursuant to the authorities granted by Resolution 16 and/or to sell ordinary shares held by the Company as treasury shares for cash, as if section 561(1) of the 2006 Act did not apply to any such allotment (or sale), provided such power be limited to the allotment of equity securities or sale of treasury shares:

19. That, the Company is generally and unconditionally authorised for the purposes of section 701 of the 2006 Act to make market purchases (as defined in section 693(4) of the 2006 Act) of ordinary shares in the capital of the Company (Shares) from the date this Resolution is passed until the conclusion of the next Annual General Meeting of the Company or, if earlier, at close of business on the date 15 months from the date of the passing of this Resolution, subject to the following conditions:

Entitlement to attend and vote

1. The right to vote at the Meeting is determined by reference to the Register of Members. Only those shareholders registered in the Register of Members of the Company as at 6.30 pm on 23 October 2020 (or, if the Meeting is adjourned, 6.30 pm on the date which is two days before the date of the adjourned meeting) shall be entitled to vote by proxy at the Meeting in respect of the number of shares registered in their name at that time. Changes to entries in the Register of Members after that time shall be disregarded in determining the rights of any person to vote by proxy (and the number of votes they may cast) at the Meeting.

Attending in person

2. **Given the risk of a second wave of COVID-19 (and the resultant regulatory changes) which could ensue during the period between this Notice being sent and the date of the Meeting and to protect our employees, local community and shareholders' welfare we are discouraging all shareholders from attending the Meeting in person.** This means the Meeting will be held only with the minimum number of persons in attendance as is legally required to form a quorate meeting. The Company Secretary and one of the Directors, each of whom are either a shareholder, a proxy or a corporate representative appointed by a shareholder, will attend the Meeting.

The impact of the pandemic will be continuously monitored, and shareholders should monitor the Company's website (www.dechra.com/investor-relations/shareholder-meetings/current) and regulatory news announcements for any Meeting updates. All shareholders are encouraged to vote on all resolutions by appointing the chairman of the Meeting as their proxy.

Proxies

3. A shareholder is entitled to appoint another person as his or her proxy to exercise all or any of his or her rights to attend, speak and vote at the Meeting. A proxy need not be a shareholder of the Company. Please note if a shareholder appoints any other person (apart from the chairman of the Meeting) as a proxy they may not be able to attend the Meeting and the shareholder's vote may not be counted. As previously noted, all shareholders are encouraged to vote on all resolutions by appointing the chairman of the Meeting as their proxy.

A proxy may only be appointed in accordance with the procedures set out in these notes and the notes to the Proxy Form. The notification of termination of a proxy appointment should be in writing.

4. A Proxy Form is enclosed. **To be valid, a Proxy Form must be completed, signed and sent to the offices of the Company's Registrar, Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA, so as to arrive no later than 9.30 am on 23 October 2020** (or, if the Meeting is adjourned, no later than 48 hours before the time of any adjourned meeting).
5. As an alternative to completing the hard copy Proxy Form, a shareholder may appoint the chairman of the Meeting as their proxy electronically by lodging a Proxy Form at www.sharevote.co.uk. Alternatively, shareholders who have already registered with Equiniti's online portfolio service, Shareview, can vote by logging on to their portfolio at www.shareview.co.uk and then clicking on the link to vote. **For an electronic proxy appointment to be valid, the appointment must be received by Equiniti Limited no later than 9.30 am on 23 October 2020** (or, if the Meeting is adjourned, no later than 48 hours before the time of any adjourned meeting). Any electronic communication sent by a shareholder to the Company or Equiniti Limited which is found to contain a virus will not be accepted by the Company.
6. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Appointment of proxies through CREST

Alternatively, if you are a member of CREST, you may register the appointment of proxy by using the CREST electronic proxy appointment services as follows:

7. CREST members who wish to appoint the chairman of the Meeting as their proxy through the CREST electronic proxy appointment service may do so for the Meeting and any adjournment(s) thereof by using the procedures, and to the address, described in the CREST Manual subject to the provisions of the Company's Articles of Association. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

8. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK and Ireland's specifications and must contain the information required for such instruction as described in the CREST Manual (www.euroclear.com).
The message, regardless of whether it relates to the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by no later than 9.30 am on 23 October 2020 (or, if the Meeting is adjourned, no later than 48 hours before the time of any adjourned meeting). For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
9. CREST members and, where applicable, their CREST sponsors, or voting service provider(s) should note that Euroclear UK and Ireland does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
10. The Company may treat a CREST Proxy Instruction as invalid in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Questions at the Meeting

17. Shareholders have the right to ask questions at the Meeting relating to the business being dealt with at the Meeting in accordance with section 319A of the 2006 Act. The Company must answer any such question unless:
- 17.1 to do so would interfere unduly with the preparation for the Meeting or would involve the disclosure of confidential information;
 - 17.2 the answer has already been given on a website in the form of an answer to a question; or
 - 17.3 it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.

However, as previously noted, the Company urges shareholders not to attend the 2020 Meeting in person. If shareholders have a question for the Board, they can submit it in electronic form by sending it by email to CompanySecretarial@dechra.com (please state “Dechra Pharmaceuticals PLC: AGM” in the subject line of the email and include your Shareholder Reference Number (as detailed on your proxy card)). Questions submitted electronically should be received by no later than 9.30am on 23 October 2020 (or, if the Meeting is adjourned, no later than 48 hours before the time of any adjourned meeting). Chairman

22. If the Chairman, as a result of any proxy appointments, is given discretion as to how the votes that are the subject of those proxies are cast and the voting rights in respect of those discretionary proxies, when added to the interests in the Company's shares already held by the Chairman, result in the Chairman holding such numbers of voting rights that he has a notifiable obligation under the Disclosure and Transparency Rules, the Chairman will make the necessary notifications to the Company and the Financial Conduct Authority. As a result, any member holding 3% or more of the voting rights in the Company who grants the Chairman a discretionary proxy in respect of some or all of those voting rights and so would otherwise have a notification obligation under the Disclosure and Transparency Rules, need not make a separate notification to the Company and the Financial Conduct Authority.
