To: The holders of Option(s) ("**Participants**")

26 June 2023

Dear Participant

Recommended cash acquisition of Dechra Pharmaceuticals PLC ("Dechra") by Freya Bidco Limited ("Bidco") (a newly formed company to be indirectly owned by (i) EQT X EUR SCSp and EQT X USD SCSp, each acting through its manager (Gérant) EQT Fund Management S.à r.l., and (ii) Luxinva S.A.)

As you know, Dechra and Bidco announced on 2 June 2023 that they had agreed the terms and conditions of a recommended cash acquisition of the entire issued, and to be issued, share capital of Dechra by Bidco. In this letter, this is referred to as the "**Acquisition**".

You are receiving this Letter because you hold one or more options granted under Schedule 2 (CSOP Options) to the LTIP ("**Option(s)**").

This Letter tells you about the impact of the Acquisition on your Option(s), the choices you have, assuming the Acquisition proceeds, and what you need to do. **Once you have made your choice, you will not be able to change it.**

If you hold an Option granted on 16 September 2021 with an exercise price of £49.09 per Dechra Share, this Option is underwater. This means that you would have to pay more to exercise such Option than the value of the Dechra Shares you would receive on exercise. Accordingly, this Letter does not apply to this Option, which will lapse following completion of the Acquisition.

In the Appendix to this Letter you will find further details regarding the Acquisition, including the anticipated timetable, as well as a definitions section which explains the key defined terms used in this Letter.

A copy of this Letter can also be found on Dechra's website at www.dechra.com/investors/cash-offer. **This Letter should be read together with the Scheme Document**, a copy of which is also available on the same Dechra website.

Proposal

Bidco is required by the Takeover Code to make an "appropriate proposal" to holders of options (including your Option(s)) to safeguard their interests in the context of the Acquisition.

The **proposal** is that you exercise all of the outstanding Option(s) that you hold on Court Sanction (to the maximum extent vested on that date) (the "**Outstanding Option(s)**") and receive £38.75 for each Dechra Share acquired on exercise (which is what Dechra Shareholders will receive for each of their

Dechra Shares under the Scheme) (the "**Consideration**"). Details of whether and to what extent your unvested Option(s) will vest in connection with the Acquisition can be found in Section 1 of the Appendix.

Please note that if any dividend, distribution and/or return of value is proposed, authorised, declared, made or paid by Dechra (or becomes payable) in respect of Dechra Shares, Bidco reserves the right to reduce the Consideration by the amount of any such dividend, distribution and/or other return of value.

How to accept the proposal

Please read this Letter, together with the Appendix, in full.

If you then wish to accept the proposal to exercise all your Outstanding Option(s) on Court Sanction, you can do so by submitting an instruction to exercise them via the Share Scheme Portal **no later than 11.00 p.m. UK time on Thursday 31 August 2023**.

Your instruction will be subject to the Terms and Conditions published on the Share Scheme Portal.

You can access the Share Scheme Portal at www.DechraShareSchemes.com.

Details of your choices to exercise your Option(s) at other times are set out in this Letter.

If you do nothing, your Option(s) will ultimately lapse and you will receive no value for them.

Recommendation

The Dechra Directors, who have been so advised by Investec as to the financial terms of the proposal set out in this Letter, consider the terms of such proposal to be fair and reasonable in the context of the Acquisition. In providing its advice to the Dechra Directors, Investec has taken into account the commercial assessments of the Dechra Directors. Investec is providing independent financial advice to the Dechra Directors for the purposes of Rule 15.2 of the Takeover Code.

THE DECHRA DIRECTORS RECOMMEND THAT YOU ACCEPT THE PROPOSAL AS SET OUT IN THIS LETTER AND EXERCISE YOUR OUTSTANDING OPTION(S) ON COURT SANCTION. You should consider your own personal circumstances, including your tax position, when deciding whether to accept the proposal and your preferred timing for exercising the Option(s) that you hold.

Questions

If you have any questions on the contents of this Letter, please contact Melanie Hall, Company Secretary via email at companysecretarial@dechra.com but please be aware that no legal, tax, financial

or investment advice on the Acquisition, the LTIP and/or your choices can be provided by Dechra or Bidco.

Yours faithfully

APPENDIX

SECTION 1. IMPACT OF THE ACQUISITION ON YOUR OPTION(S)

1. When can I exercise my Option(s)?

You can exercise vested Option(s) when you choose (subject to the Dechra share dealing code, if applicable) up to the date that they lapse. **Please note that the Acquisition will not extend the exercise period of any vested Option(s) nor alter the number of shares in respect of which the Option(s) have vested.**

If your Option(s) have not vested by Court Sanction, they will do so on Court Sanction on the basis set out in **paragraph 4** below and you can exercise them from that date until 20 days after Court Sanction (unless they lapse earlier under the rules of the Option Plans).

Please note that whilst your Option(s) may remain exercisable for a maximum period of 20 days after Court Sanction, waiting to exercise them will not increase the number of shares vested nor the Consideration payable to you.

2. What is the proposal and how do I accept it?

If you do nothing, your Option(s) will ultimately lapse and you will receive no value for them.

All Option(s): Accept the proposal to exercise all of your Outstanding Option(s) on Court Sanction

If you accept the proposal to exercise all of the Outstanding Option(s) that you hold on Court Sanction (to the maximum extent vested on that date), each of the Dechra Shares you receive on exercise of your Option(s) will be bought automatically by Bidco as part of the Acquisition. You will receive the Consideration of £38.75 for each Dechra Share you hold (subject to any adjustment provided for under the Scheme and the deductions mentioned below).

The exercise price payable in respect of your Option(s) will be deducted automatically from the Consideration payable to you.

Please refer to **paragraph 4** below regarding vesting of your Option(s).

To accept the proposal to exercise all of the Outstanding Option(s) that you hold on Court Sanction (to the maximum extent vested on that date) please submit an instruction to exercise your Option(s) via the Share Scheme Portal **no later than 11.00 p.m. UK time on Thursday 31 August 2023.**

You can access the Share Scheme Portal at www.DechraShareSchemes.com.

Please note that your instruction is conditional on Court Sanction. See Section 2 of this Appendix for further details on the conditions that have to be met before Court Sanction takes place and the anticipated timetable of events.

Vested Option(s) only: exercise your Option(s) before Court Sanction

You can also choose to exercise any vested Option(s) that you hold before Court Sanction (subject to your compliance with the Dechra share dealing code, if applicable).

To exercise vested Option(s) before Court Sanction you will need to submit an instruction to do so via the online portal. The last date on which the exercise of an Option will be processed before Court Sanction will be ten Business Days before this date. You can access the online portal at www.DechraShareSchemes.com.

You will have the usual choices in respect of the Dechra Shares you receive on exercise of your Option(s) – keep them, sell enough to pay the exercise price together with any applicable fees or sell all of them. You will receive the prevailing market price for any Dechra Shares you sell before Court Sanction (which may be lower than the Consideration payable under the Acquisition). If you still hold any Dechra Shares at the Scheme Record Time, these will be bought automatically by Bidco under the Acquisition for £38.75 for each Dechra Share (subject to any adjustment provided for under the Scheme).

Please note that you can only exercise Option(s) before Court Sanction if your Option(s) have already vested.

If you do exercise vested Option(s) before Court Sanction, and also hold other Option(s), you also need to take further action in order to exercise such Option(s) and receive value for them.

3. Can I exercise my Option(s) after Court Sanction?

You can choose to exercise any vested Option(s) that you hold on Court Sanction (to the maximum extent vested on that date) during the 20 day period after Court Sanction, (unless they lapse earlier under the rules of the Option Plans).

*Please note if you want to wait to exercise Option(s) after the Court Sanction you will need to remember to take further action after Court Sanction and your Option(s) will **ultimately lapse** if you do not do so. **If you instead want to take action now to ensure your Option(s) are exercised at the time of Court Sanction please refer to paragraph 2 above and accept the proposal.***

If you elect to exercise your Option(s) in the 20 day period after the Court Sanction, each of the Dechra Shares you receive on exercise will be bought automatically by Bidco. You will receive £38.75 for each Dechra Share (subject to any adjustment provided for under the Scheme and the deductions mentioned below).

If you exercise your Option(s) after Court Sanction, the number of shares vested will **not** increase, but your Option(s) will be exercised at a later time. This means you would still receive the same cash consideration, but **you will receive payment later than exercising on Court Sanction by accepting the proposal.**

If you elect to exercise your Option(s) in the 20 day period after Court Sanction, you do not have to do anything until after the date of Court Sanction. When you are ready to exercise, you will need to submit an instruction to exercise your Option(s) via the online portal or (if the online portal ceases to be available) by submitting a paper exercise instruction. In these

circumstances, your instruction must be accompanied by payment of the exercise price due in order to be valid.

If you do not submit an instruction to exercise your Option(s) (together with payment of the exercise price) so that your exercise instruction is received in time to be processed within the 20 day period after Court Sanction, your Option(s) will lapse (unless they lapse earlier under the rules of the LTIP) and **you will receive no value for them.**

4. Can I exercise my Option(s) in full?

If your Option(s) have already vested, yes, you can exercise to the full extent to which your Option is already vested.

If you hold unvested Option(s), the number of Dechra Shares that will vest on Court Sanction (or before Court Sanction, if applicable) will be determined by the Dechra Remuneration Committee in accordance with the rules of the LTIP and the terms on which your Option was granted. The Dechra Remuneration Committee has determined that all unvested Option(s) will vest in full on Court Sanction.

5. If the Acquisition proceeds, when will I receive my cash payments after I exercise my Option(s)?

If you accept the proposal to exercise Option(s) on Court Sanction (all Option(s)):

If the Acquisition goes ahead, the cash consideration will be payable by Bidco within 14 days of the Acquisition completing. This consideration will be received on your behalf and then paid to you (less deductions for the exercise price payable on exercise) through the next practicable payroll after the cash consideration has been despatched by Bidco or otherwise to the bank account into which your salary is normally paid.

You will receive payment(s) in your payroll currency and, if different from GBP, payment(s) will be converted to your payroll currency at the exchange rate selected by Dechra on or around the date of payment.

If you exercise vested Option(s) before Court Sanction:

If you exercise vested Option(s) prior to Court Sanction, and if the Acquisition goes ahead and you still hold Dechra Shares from your Option(s) (after settling the exercise price payable), the cash consideration will be payable by Bidco within 14 days of the Acquisition completing. Details on how the Acquisition would apply to your Dechra Shares in this case are set out in the Scheme Document.

If you exercise Option(s) after Court Sanction:

The same process as exercising your Option(s) on Court Sanction will apply if you exercise your Option(s) after Court Sanction, save that your Option(s) will be exercised, and the cash consideration will be despatched to you, **at a later time.**

6. Can I make different choices for different Option(s)?

You can use the Share Scheme Portal to exercise all of your Option(s) (to the maximum extent vested).

If you hold Option(s) granted in different years and you wish to make a different choice in respect of certain Option(s), you should contact Melanie Hall, Company Secretary via email at companysecretarial@dechra.com.

Please note that whilst your Option(s) may remain exercisable for a maximum period of 20 days after Court Sanction, waiting to exercise them will not increase the number of shares vested nor the Consideration payable to you.

7. What happens under the other Dechra Share Plans?

If you hold other awards or options under the Dechra Share Plans, you will receive a separate communication in respect of each of these awards or options.

8. What happens if I leave the Dechra Group?

Your Option(s) will normally lapse if you leave the Dechra Group.

If, exceptionally, you leave the Dechra Group in circumstances where your Option(s) do not lapse, you will be able to exercise your Option(s) as described above, provided that your Option may vest in respect of fewer Dechra Shares than on the basis described in **paragraph 3**. You will receive further details if and when this becomes applicable to you.

9. How will I be taxed?

A high level summary of the UK tax implications of the Acquisition in relation to your Option(s) is set out in Section 4 of this Appendix. If you have any doubt about the tax treatment of your Option(s), you should obtain your own independent tax advice.

10. What happens if I do nothing?

If you do not submit an instruction to exercise your Option(s) via the online portal (or a paper exercise instruction if the portal ceases to be available) so it is received and processed within the 20 day period after Court Sanction (or any earlier lapse date that applies to your Option(s)), your Option(s) will lapse and you will receive no value for them.

11. How do I access the online portal?

You can access the online portal at www.DechraShareSchemes.com.

SECTION 2. ACQUISITION SUMMARY

1. How does the Acquisition work?

The Acquisition is expected to be carried out through a process called a "scheme of arrangement". The Scheme has to be approved by Dechra Shareholders and the Court. If you want to read more about this, please go to www.dechra.com/investors/cash-offer on the Dechra website, where you will find the Scheme Document for the Acquisition that was sent to Dechra Shareholders and Participants (for their information only) on 26 June 2023. A copy of this Letter is also available on the same Dechra website.

2. What will Dechra Shareholders receive under the Acquisition?

For each Dechra Share sold to Bidco through the Scheme, a Dechra Shareholder will receive £38.75. However, if any dividend, distribution and/or return of value is proposed, authorised, declared, made or paid by Dechra (or becomes payable by Dechra) in respect of Dechra Shares, Bidco reserves the right to reduce this payment by the amount of any such dividend, distribution and/or other return of value.

3. When will the Acquisition take place?

The date for Court Sanction has not yet been set but, subject to the Acquisition being approved by Dechra Shareholders, Court Sanction is anticipated to occur towards the end of 2023 or early in 2024. Therefore the timing of Court Sanction and the Acquisition completing (known as the Effective Date) cannot be guaranteed and will be announced if and when known.

4. What will happen if the Acquisition does not complete?

If Court Sanction does not occur, or if the Acquisition does not complete for some other reason, your Option(s) will continue unaffected as before (and any election you have made to exercise your Option(s) on Court Sanction will have no effect).

SECTION 4. TAX TREATMENT

This schedule contains a summary of the main UK tax implications of exercising your Option(s) and accepting the proposal set out in this Letter. The summary is based on existing law and what is understood to be current HM Revenue & Customs practice as at the date of this Letter. Please note that tax rules and legislation can change. The summary is intended as a general guide only and applies only to Participants resident for tax purposes in the UK, both at the time the Options were granted and the time they are exercised. It does not constitute tax advice to any individual Participant. If you are in any doubt about your taxation position, or you are resident or otherwise subject to taxation in a jurisdiction other than the UK, you should consult your tax adviser immediately.

Will I have to pay income tax on exercise of my Option?

No. It is anticipated that you will not have to pay income tax and national insurance contributions on the exercise of your Options if you exercise your Option in connection with the Acquisition.

Will I have to pay capital gains tax ("CGT")?

When the Dechra Shares you acquire on exercise of your Option are subsequently acquired by Bidco you will be treated as having made a disposal for CGT purposes.

The amount of any gain will be the difference between the total proceeds due to you from Bidco for your Dechra Shares and the price you paid to acquire them (i.e. the exercise price of your Option). You will only have to pay CGT to the extent that your gains from the sale and any other chargeable gains you make in that tax year exceed the unused part of your personal CGT allowance for the tax year in which the sale takes place (the aggregate annual exemption is £6,000 for 2023/24 tax year). You may also be able to benefit from other exemptions, reliefs or allowable losses. Further details on these matters is however beyond the scope of this schedule.

Accounting for CGT

Any CGT due on the sale of Dechra Shares will be payable by you to HM Revenue & Customs ("**HMRC**") under self-assessment. No tax withholding will be applied by Dechra (or your employer in the Dechra Group) to cover any CGT when you exercise your Option. You are recommended to put aside money to pay any CGT that is due when the time comes.

You will be required to provide HMRC with all information needed to calculate the CGT. Even if you do not automatically receive a tax return you must request one from HMRC. As the gain on sale of the Dechra Shares is expected to arise before 6 April 2024, any CGT due would be payable to HMRC by 31 January 2025 at the latest.
