To: The holders of Options ("**Participants**") granted under the UK SAYE Plans

26 June 2023

Dear Participant

**Recommended cash acquisition of Dechra Pharmaceuticals PLC ("Dechra") by Freya Bidco Limited ("Bidco") (a newly formed company to be indirectly owned by (i) EQT X EUR SCSp and EQT X USD SCSp, each acting through its manager (*Gérant*) EQT Fund Management S.à r.l., and (ii) Luxinva S.A.)**

As you know, Dechra and Bidco announced on 2 June 2023 that they had agreed the terms and conditions of a recommended cash acquisition of the entire issued, and to be issued, share capital of Dechra by Bidco. In this letter, this is referred to as the "**Acquisition**".

You are receiving this Letter because you hold one or more options granted under the UK SAYE Plans (your "**Option(s)**").

This Letter tells you about the impact of the Acquisition on your Option(s), the choices you have, assuming the Acquisition proceeds, and what you need to do. **Once you have made your choice, you will not be able to change it.**

In the Appendix to this Letter you will find further details regarding the Acquisition, including the anticipated timetable, as well as a definitions section which explains the key defined terms used in this Letter.

A copy of this Letter can also be found on Dechra's website at [www.dechra.com/investors/cash-offer](http://www.dechra.com/investors/cash-offer). **This Letter should be read together with the Scheme Document**, a copy of which is also available on the same Dechra website.

## **Proposal**

Bidco is required by the Takeover Code to make an "appropriate proposal" to holders of options (including your Option(s)) to safeguard their interests in the context of the Acquisition.

The **proposal** is that you exercise your Option(s) on Court Sanction (to the extent you have accumulated savings under your savings contract on that date) and receive £38.75 for each Dechra Share acquired on exercise (which is what Dechra Shareholders will receive for each of their Dechra Shares under the Scheme) (the "**Consideration**"). You will also receive a Compensatory Payment (please see further details contained in the Appendix to this Letter).

Please note that if any dividend, distribution and/or return of value is proposed, authorised, declared, made or paid by Dechra (or becomes payable) in respect of Dechra Shares, Bidco reserves the right to reduce the Consideration by the amount of any such dividend, distribution and/or other return of value.

### How to accept the proposal

Please read this Letter, together with the Appendix, in full.

If you then wish to accept the proposal to exercise your Option(s) on Court Sanction to the maximum extent possible, you can do so by submitting an instruction to exercise them via the Share Scheme Portal **no later than 11.00 p.m. UK time on Thursday 31 August 2023**.

Your instruction will be subject to the Terms and Conditions published on the Share Scheme Portal.

You can access the Share Scheme Portal at [www.DechraShareSchemes.com](http://www.DechraShareSchemes.com).

Details of your choices to exercise your Option(s) at other times are set out in this Letter.

**If you do nothing, your Option(s) will ultimately lapse and you will receive no value for them.**

### Recommendation

The Dechra Directors, who have been so advised by Investec as to the financial terms of the proposal set out in this Letter, consider the terms of such proposal to be fair and reasonable in the context of the Acquisition. In providing its advice to the Dechra Directors, Investec has taken into account the commercial assessments of the Dechra Directors. Investec is providing independent financial advice to the Dechra Directors for the purposes of Rule 15.2 of the Takeover Code.

**THE DECHRA DIRECTORS RECOMMEND THAT YOU ACCEPT THE PROPOSAL AS SET OUT IN THIS LETTER AND EXERCISE YOUR OPTION(S) ON COURT SANCTION.** You should consider your own personal circumstances, including your tax position, when deciding whether to accept the proposal and your preferred timing for exercising your Option(s).

## APPENDIX

### SECTION 1. IMPACT OF THE ACQUISITION ON YOUR OPTION(S)

#### 1. When can I exercise my Option(s)?

You may not normally exercise your Option(s) until the end of your relevant savings contract. Upon exercise, you must use the savings you have accumulated in your relevant savings contract to pay the aggregate exercise price due.

As a result of the Acquisition, your Option(s) will become exercisable early (unless they have already lapsed or become exercisable under the rules of the UK SAYE Plans). However, your Option(s) will only be exercisable to the extent of the savings you have accumulated under your savings contract up until the date of exercise.

Your Option(s) will be exercisable from Court Sanction (unless they become exercisable earlier under the rules of the relevant UK SAYE Plan) until 20 days after Court Sanction, after which they will lapse (unless they lapse earlier under the rules of the UK SAYE Plans). If your Option(s) are not exercised by this deadline, they will lapse and your savings will be returned to you.

You may continue to make monthly savings contributions to your savings account until you exercise your Option(s), and deductions will continue to be made from your salary unless you issue instructions to the contrary.

#### 2. What is the proposal and how do I accept it?

If you do nothing, your Option(s) will ultimately lapse and you will receive no value for them.

If you accept the proposal to exercise your Option(s) on Court Sanction (to the extent you have accumulated savings under your savings contract on that date), each of the Dechra Shares you receive on exercise of your Option(s) will be bought automatically by Bidco as part of the Acquisition. You will receive the Consideration of £38.75 for each Dechra Share you hold (subject to any adjustment provided for under the Scheme and the deductions mentioned below). You will also receive the Compensatory Payment explained in paragraph 3 below.

To accept the proposal to exercise your Option(s) on Court Sanction (to the extent you have accumulated savings under your savings contract on that date) and to receive the Compensatory Payment, please submit an instruction to exercise them via the Share Scheme Portal **no later than 11.00 p.m. UK time on Thursday 31 August 2023.**

You can access the online portal at [www.DechraShareSchemes.com](http://www.DechraShareSchemes.com).

**Please note that your instruction is conditional on Court Sanction. See Section 2 of this Appendix for further details on the conditions that have to be met before Court Sanction takes place and the anticipated timetable of events.**

### 3. **Compensatory Payment**

Bidco has agreed that if you exercise your Option(s) on Court Sanction, it will make you a cash payment (the "**Compensatory Payment**") to compensate you for the curtailment of your savings contract.

The amount of the Compensatory Payment will be equal to the additional profit that you would receive if you were to continue to make savings contributions under your savings contract for a period of six months following Court Sanction and to exercise your Option(s) at the end of this period.

The Compensatory Payment will be subject to income tax and social security contributions, but will be grossed up to reflect the amount you would have received had no income tax or national insurance contributions been due.

### 4. **Can I exercise my Option(s) before Court Sanction?**

If your Option(s) become exercisable in accordance with the rules of the UK SAYE Plans before Court Sanction you can exercise them in the ordinary way. In these circumstances, your Option(s) may lapse earlier than 20 days from Court Sanction or even earlier than Court Sanction itself in accordance with the relevant UK SAYE Plan (see paragraph 5 below).

### 5. **Can I exercise my Option(s) after Court Sanction?**

Your Option(s) will continue to be exercisable for a period of 20 days after Court Sanction, after which they will lapse (unless they lapse earlier under the rules of the relevant UK SAYE Plan).

*Please note if you want to wait to exercise your Option(s) after the Court Sanction you will need to remember to take further action after Court Sanction and your Option(s) will **ultimately lapse** if you do not do so. **If you instead want to take action now to ensure your Option(s) is exercised at the time of Court Sanction please refer to paragraph 2 above and accept the proposal.***

If you elect to exercise your Option(s) in the 20 day period after the Court Sanction, each of the Dechra Shares you receive on exercise will be bought automatically by Bidco. You will receive £38.75 for each Dechra Share (subject to any adjustment provided for under the Scheme and the deductions mentioned below).

If you exercise your Option(s) after Court Sanction, **you will not be entitled to receive the Compensatory Payment**. This means you would still receive the same cash consideration (as long as you continue to make savings during this period), but **you will receive payment much later than exercising on Court Sanction by accepting the proposal**.

If you elect to exercise your Option(s) in the 20 day period after Court Sanction, you do not have to do anything until after the date of Court Sanction. When you are ready to exercise, you will need to submit an instruction to exercise your Option(s) via the online portal or (if the online portal ceases to be available) by submitting a paper exercise instruction.

If you do not submit an instruction to exercise your Option(s) so that your exercise instruction is received in time to be processed within the 20 day period after Court Sanction, your Option(s)

will lapse (unless they lapse earlier under the rules of the relevant UK SAYE Plan) and **you will receive no value for them**. Your savings will be returned to you.

**6. Can I exercise my Option(s) in full?**

You may only exercise an Option(s) to the extent of the savings you have made under your related savings contract as at the date on which the exercise of your Option(s) takes effect. Therefore, if exercise takes place in connection with the Acquisition before the end of your original savings period, you will not be able to exercise your Option(s) in full.

**7. If the Acquisition proceeds, when will I receive my cash payments after I exercise my Option(s)?**

**If you accept the proposal to exercise your Option(s) on Court Sanction:**

If the Acquisition goes ahead, the cash consideration will be payable by Bidco within 14 days of the Acquisition completing. This consideration will be received on your behalf and then paid to you through the next practicable payroll after the cash consideration has been despatched by Bidco together with your Compensatory Payment or otherwise to the bank account into which your salary is normally paid.

**If you exercise your Option(s) after Court Sanction:**

The same process as exercising your Option(s) on Court Sanction will apply if you exercise your Option(s) after Court Sanction, save that your Option(s) will be exercised, and the cash consideration will be despatched to you, at a later time. You will not be entitled to the Compensatory Payment.

**8. Can I change my mind?**

Once you have given your instruction via the online portal, this is considered to be your binding decision. However, if you choose to withdraw your savings before the exercise of your Option(s) takes effect (or your Option(s) otherwise lapse under the rules of the relevant UK SAYE Plan), your instruction will be of no effect and your Option(s) will lapse.

**9. What happens under the other Dechra Share Plans?**

If you hold other awards or options under the Dechra Share Plans, you will receive a separate communication in respect of each of these awards or options.

**10. What happens if I leave the Dechra Group?**

Your Option(s) will normally lapse if you leave the Dechra Group.

If, exceptionally, you leave the Dechra Group in circumstances where your Option(s) do not lapse, you will be able to exercise your Option(s) during the 20 day (or, if you die, one year) period following the date you leave. Your Option(s) may, therefore, lapse earlier than they otherwise would. You will receive further details if and when this becomes applicable to you.

**11. How will I be taxed?**

A high level summary of the UK tax implications of the Acquisition in relation to your Option(s) is set out in Section 4 of this Appendix. If you have any doubt about the tax treatment of your Option(s), you should obtain your own independent tax advice.

**12. What happens if I do nothing?**

If you do not submit an instruction to exercise your Option(s) via the online portal (or a paper exercise instruction if the portal ceases to be available) so it is received and processed within the 20 day period after Court Sanction (or any earlier lapse date that applies to your Option(s)), your Option(s) will lapse and you will receive no value for them. Your savings will be returned to you.

**13. How do I access the online portal?**

You can access the online portal at [www.DechraShareSchemes.com](http://www.DechraShareSchemes.com).

## **SECTION 2. ACQUISITION SUMMARY**

### **1. How does the Acquisition work?**

The Acquisition is expected to be carried out through a process called a "scheme of arrangement". The Scheme has to be approved by Dechra Shareholders and the Court. If you want to read more about this, please go to [www.dechra.com/investors/cash-offer](http://www.dechra.com/investors/cash-offer) on the Dechra website, where you will find the Scheme Document for the Acquisition that was sent to Dechra Shareholders and Participants (for their information only) on 26 June 2023. A copy of this Letter is also available on the same Dechra website.

### **2. What will Dechra Shareholders receive under the Acquisition?**

For each Dechra Share sold to Bidco through the Scheme, a Dechra Shareholder will receive £38.75. However, if any dividend, distribution and/or return of value is proposed, authorised, declared, made or paid by Dechra (or becomes payable by Dechra) in respect of Dechra Shares, Bidco reserves the right to reduce this payment by the amount of any such dividend, distribution and/or other return of value.

### **3. When will the Acquisition take place?**

The date for Court Sanction has not yet been set but, subject to the Acquisition being approved by Dechra Shareholders, Court Sanction is anticipated to occur towards the end of 2023 or early in 2024. Therefore the timing of Court Sanction and the Acquisition completing (known as the Effective Date) cannot be guaranteed and will be announced if and when known.

### **4. What will happen if the Acquisition does not complete?**

If Court Sanction does not occur, or if the Acquisition does not complete for some other reason, your Option(s) will continue unaffected as before (and any election you have made to exercise your Option(s) on Court Sanction will have no effect).

## SECTION 4. TAX TREATMENT

This schedule contains a summary of the main UK tax implications of exercising your Option(s) and accepting the proposal set out in this Letter. The summary is based on existing law and what is understood to be current HM Revenue & Customs practice as at the date of this Letter. Please note that tax rules and legislation can change. The summary is intended as a general guide only and applies only to Participants resident for tax purposes in the UK, both at the time the Options were granted and the time they are exercised. It does not constitute tax advice to any individual Participant. If you are in any doubt about your taxation position, or you are resident or otherwise subject to taxation in a jurisdiction other than the UK, you should consult your tax adviser immediately.

### **Will I have to pay income tax on exercise of my Option?**

No. It is anticipated that you will not have to pay income tax and national insurance contributions on the exercise of your Options if you exercise your Option in connection with the Acquisition.

Although you would have to pay income tax and national insurance contributions (at your marginal rate) on any Compensatory Payment, this will be grossed up to reflect the amount you would have received had no income tax or national insurance contributions been due.

### **Will I have to pay capital gains tax ("CGT")?**

When the Dechra Shares you acquire on exercise of your Option are subsequently acquired by Bidco you will be treated as having made a disposal for CGT purposes.

The amount of any gain will be the difference between the total proceeds due to you from Bidco for your Dechra Shares and the price you paid to acquire them (i.e. the exercise price of your Option). You will only have to pay CGT to the extent that your gains from the sale and any other chargeable gains you make in that tax year exceed the unused part of your personal CGT allowance for the tax year in which the sale takes place (the aggregate annual exemption is £6,000 for 2023/24 tax year). You may also be able to benefit from other exemptions, reliefs or allowable losses. Further details on these matters is however beyond the scope of this schedule.

### **Accounting for CGT**

Any CGT due on the sale of Dechra Shares will be payable by you to HM Revenue & Customs ("HMRC") under self-assessment. No tax withholding will be applied by Dechra (or your employer in the Dechra Group) to cover any CGT when you exercise your Option. You are recommended to put aside money to pay any CGT that is due when the time comes.

You will be required to provide HMRC with all information needed to calculate the CGT. Even if you do not automatically receive a tax return you must request one from HMRC. As the gain on sale of the Dechra Shares is expected to arise before 6 April 2024, any CGT due would be payable to HMRC by 31 January 2025 at the latest.
