Dear Shareholder

NOTICE OF ANNUAL GENERAL MEETING

I am writing to explain in detail the matters to be dealt with at this year's Annual General Meeting ("**Meeting**") to be held on 4 November 2011.

The Annual Report for the year ended 30 June 2011 and a Form of Proxy accompanies this Circular.

The Annual Report and Financial Statements (Resolution 1)

Shareholders will be asked to receive and consider the Company's accounts, Directors' Report and Auditor's Report for the year ended 30 June 2011.

Directors' Remuneration Report (Resolution 2)

The Company is required to seek approval of the Directors' Remuneration Report and this report can be found on pages 53 to 62 of the Report and Accounts. The vote is advisory in nature; payments which have been made or promised to Directors will not have to be repaid in the event the Resolution is not passed.

Final Dividend (Resolution 3)

A final dividend of 8.40 pence per ordinary share is recommended by the Directors. Subject to approval at the Meeting, the dividend will be paid on 25 November 2011 to Shareholders registered at 11 November 2011. The date the shares will become ex-dividend is on 9 November 2011. An Interim dividend of 3.70 pence per ordinary share was paid on 7 April 2011.

Election of Director (Resolution 4)

Dr Chris Richards was appointed as a Non-Executive Director of the Company on 1 December 2010 and therefore, in line with the Company's Articles of Association will offer himself for election at the Meeting.

Re-election of Directors (Resolutions 5, 6 and 7)

The Board has considered the provision of the UK Corporate Governance Code (the "**Code**") with regard to annual re-election of Directors even though it is no longer a constituent member of the FTSE 350 and therefore does not need to comply with this recommendation. It concluded that given the changes to the Board composition over the past 18 months (i.e. one Non-Executive retiring and the appointment of two new Non-Executives) it would not be conducive to the effective management of the development of the Company's strategy to comply with the recommendation for annual re-election. The Board will keep the matter under review during the forthcoming year.

Under the provisions of the Code, Mike Redmond who has served as a Non-Executive Director for more than nine years will offer himself for re-election as a Director at the forthcoming Annual General Meeting. The Chairman, at the time of his appointment, did meet and continues to meet the independence criteria set out in the Code. The Nomination Committee considers the Chairman to continue to lead the Board effectively, at all times maintaining his independence and providing invaluable contribution and insight to the Board gained from his extensive experience within the pharmaceutical sector.

As required by the Company's Articles of Association Ian Page and Neil Warner will retire by rotation and will offer themselves for re-election as Directors. The Board believe that both Directors should be re-elected for the following reasons; Ian Page, in his position as Chief Executive of Dechra Pharmaceuticals PLC continues to be effective and demonstrate commitment to the role. Neil Warner in his position as Senior Independent Director and Chairman of the Audit Committee continues to perform his duties effectively, showing integrity and high ethical standards whilst maintaining sound, independent judgement in respect of all decisions taken at both Board and Committee level.

Biographical details for the Directors are located on pages 38 and 39 of the enclosed Annual Report and Accounts.

Reappointment of Auditor (Resolutions 8 and 9)

The Company is required to appoint an Auditor at each meeting at which accounts are presented and KPMG Audit Plc have indicated their willingness to continue in office. Accordingly, Resolution 8, subject to the approval of the Shareholders, reappoints KPMG Audit Plc as Auditor of the Company. Resolution 9 authorises the Directors to determine the remuneration of the Auditor.

Authority to Allot Equity Securities (Resolution 10)

The Directors of a company may only allot shares if they have been authorised to do so by Shareholders in a general meeting. The first part of Resolution 10, renews the authority given at last year's Annual General Meeting and authorises the Directors to allot shares in the capital of the Company up to an aggregate nominal amount of £221,522 (which represents approximately one-third of the issued share capital of the Company as at 16 September 2011). This limit is in line with the guidelines issued by the Association of British Insurers. The second part of Resolution 10 authorises the Directors to allot a further one-third of the issued share capital of the Company in connection with a rights issue. If this additional authority is used and the amount raised in any rights issue is more than one-third of the Company's pre-issue market capitalisation, in accordance with guidelines issued by the Association of British Insurers all the Directors wishing to remain in office will stand for re-election at the next Annual General Meeting of the Company.

If given, this authority will expire at the conclusion of the Company's next Annual General Meeting or 15 months from the passing of the Resolution (whichever is earlier). It is the Directors' intention to renew this authority each year.

There are no present plans to allot any of the unissued share capital of the Company other than in connection with employee share schemes.

Pre-emptive Allotment of Equity Securities (Resolution 11)

Resolution 11 renews the authority given at last year's Annual General Meeting and, if passed, would enable the Directors to allot shares for cash on a non pre-emptive basis in limited circumstances. It is proposed to authorise the Directors to issue shares for cash up to an aggregate nominal amount of £33,228 (which represents approximately 5% of the Company's issued share capital as at 16 September 2011), without having to first offer them to Shareholders in proportion to their existing holdings. This limit is in line with the guidelines issued by the Pre-emption Group. In addition, in accordance with normal practice, the Resolution would enable the Board to deal with overseas Shareholders and fractional entitlements as it thinks fit in the context of any rights issue or open offer.

If given, this authority will expire at the conclusion of the Company's next Annual General Meeting or 15 months from the passing of the Resolution (whichever is earlier). It is the Directors' intention to renew this authority each year.

There are no present plans to exercise this authority.

Authority to Purchase Ordinary Shares (Resolution 12)

Resolution 12 will be proposed as a Special Resolution for the renewal of the Company's authority to purchase its own shares in the market during the period until the next Annual General Meeting of the Company for up to 6,645,665 shares, representing approximately 10% of the issued ordinary share capital of the Company.

The Directors have no current intention of exercising this authority to purchase the Company's ordinary shares. The Company will only exercise this authority to make such a purchase in the market if the Directors consider it is in the best interests of the Shareholders generally to do so.

The Company is permitted to hold shares it has purchased in treasury, as an alternative to cancelling them. Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy options exercised under any of the Company's share schemes. Whilst held in treasury, the shares are not entitled to receive any dividend or dividend equivalent (apart from any issue of bonus shares) and have no voting rights. The Directors believe it is appropriate for the Company to have the option to hold its own shares in treasury if, at a future date, the Directors exercise this authority. The Directors will have regard to investor group guidelines which may be in force at the time of any such purchase, holding or re-sale of shares held in treasury.

On 16 September 2011 there were options over ordinary shares in the capital of the Company representing 2.68% of the Company's issued ordinary share capital. If the authority to purchase the Company's ordinary shares was exercised in full and those shares were subsequently cancelled, these options would represent 2.98% of the Company's issued and voting ordinary share capital.

If given, this authority will expire at the conclusion of the Company's next Annual General Meeting or 15 months after the passing of the Resolution (whichever is earlier). It is the Directors' intention to renew this authority each year.

Notice Period for General Meetings (Resolution 13)

The Shareholder Rights Directive was implemented in the UK in August 2009. One of the requirements of the Directive is that all general meetings must be held on 21 clear days' notice unless Shareholders agree to a shorter notice period. The Shareholders of the Company approved a resolution to call general meetings (other than Annual General Meetings) on 14 clear days' notice at last year's Annual General Meeting. Resolution 13 seeks approval to renew this right until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed.

The shorter notice period would not be used as a matter of routine for such meetings, but only where flexibility is merited by the business of the meeting and is thought to be to the advantage of Shareholders as a whole and the matter to be considered is time sensitive. The Company meets the requirements for electronic voting under the Directive.

Recommendation

The Directors believe that all the proposals to be considered at the Meeting are in the best interests of the Company and its Shareholders. They recommend that you vote in favour of the proposed Resolutions. The Directors will be voting in favour of the proposed Resolutions in respect of their own shareholdings in the Company.

Whether or not you are able to attend the Meeting, please complete and return the enclosed Form of Proxy so as to reach the Registrars, Computershare Investor Services PLC, The Pavilions, Bridgewater Road, Bristol BS99 6ZY no later than 1.00 pm on 2 November 2011 (or, if the Meeting is adjourned, no later than 48 hours before the time of any adjourned meeting). As already stated, the Company is now offering all Shareholders the right to lodge their proxy vote electronically and details of how to do this can be found in the notes to the Notice of Meeting and on the front of the enclosed Form of Proxy. Please note that the completion and lodging of the Form of Proxy will not prevent you from attending and voting in person at the Meeting if you so wish.

Yours sincerely

10. That, pursuant to section 551 of the 2006 Act the Directors be and are generally and unconditionally authorised to exercise all powers of the Company to allot Relevant Securities:
 - 10.1 comprising equity securities (as defined in section 560(1) of the 2006 Act) up to an aggregate nominal amount of £221,522 (such amount to be reduced by the aggregate nominal amount of Relevant Securities allotted pursuant to paragraph 10.2 of this Resolution) in connection with a rights issue (as defined in the Listing Rules published by the Financial Services Authority):

but subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or any legal or practical problems under the laws of any territory or the requirements of any regulatory body or stock exchange; and

10.2 otherwise than pursuant to paragraph 10.1 of this Resolution, up to an aggregate nominal amount of £221,522 (such amount to be reduced by the aggregate nominal amount of Relevant Securities allotted pursuant to paragraph 10.1 of this Resolution in excess of £221,522),

In this Resolution, "Relevant Securities" means shares in the Company or rights to subscribe for or to convert any security into shares in the Company; a reference to the allotment of Relevant Securities includes the grant of such a right; and a reference to the nominal amount of a Relevant Security which is a right to subscribe for or to convert any security into shares in the Company is to the nominal amount of the shares which may be allotted pursuant to that right.

These authorities are in substitution for and shall replace all existing authorities (which, to the extent unused at the date of this resolution, are revoked with immediate effect).

11. That, subject to the passing of resolution 10, pursuant to and pursuant to section 570 of the 2006 Act, the Directors be and are generally empowered to allot equity securities (within the meaning of section 560 of the 2006 Act) for cash pursuant to the authorities granted by Resolution 10 as if section 561(1) of the 2006 Act did not apply to any such allotment, provided that this power shall be limited:

11.1 to the allotment of equity securities in connection with an offer of equity securities (but, in the case of an allotment pursuant to the authority granted by paragraph 10.1 of Resolution 10, such power shall be limited to the allotment of equity securities in connection with a rights issue (as defined in the Listing Rules published by the Financial Services Authority)):

11.1.2 to holders of other equity securities in the capital of the Company, as required by the rights of those securities or, subject to such rights, as the Directors otherwise consider necessary,

but subject to such exclusions or other arrangements as the Directors may deem necessary or expedient in relation to treasury shares, fractional entitlements, record dates or any legal or practical problems under the laws of any territory or the requirements of any regulatory body or stock exchange; and

11.2 in the case of an allotment pursuant to the authority granted by paragraph 10.2 of Resolution 10, to the allotment of equity securities (otherwise than pursuant to paragraph 11.1 of this Resolution) up to an aggregate nominal amount of £33,228,

and (unless previously revoked, varied or renewed) this power shall expire at the conclusion of the next Annual General Meeting of the Company after the passing of this Resolution or on 4 February 2013 (whichever is the earlier), save that the Company may make an offer or agreement before this power expires which would or might require equity securities to be allotted for cash after this power expires and the Directors may allot equity securities for cash pursuant to any such offer or agreement as if this power had not expired.

This power is in substitution for and shall replace all existing powers (which, to the extent unused at the date of this resolution, are revoked with immediate effect).

12. That, pursuant to section 701 of the 2006 Act, the Company be and is generally and unconditionally authorised to make market purchases (within the meaning of section 693(4) of the 2006 Act) of ordinary shares of £0.01 each in the capital of the Company ("Shares"), provided that:

12.1 the maximum number of Shares which may be purchased is 6,645,665 (representing 10% of the Company's issued ordinary share capital);

12.2 the minimum price (exclusive of expenses) which may be paid for a Share is £0.01;

12.3 the maximum price (exclusive of expenses) which may be paid for a Share is the higher of: (i) an amount equal to 105% of the average of the middle market quotations for the Shares as derived from the Daily Official List of the London Stock Exchange plc for the five business days immediately preceding the day on which the purchase is made; and (ii) an amount equal to the higher of the price of the last independent trade of a Share and the highest current independent bid for a Share on the trading venue where the purchase is carried out.

and (unless previously revoked, varied or renewed) shall expire at the conclusion of the next Annual General Meeting of the Company after the passing of this Resolution or on 4 February 2013 (whichever is the earlier), save that the Company may enter into a contract to purchase Shares before the expiry of this authority under which such purchase will or may be completed or executed wholly or partly after this authority expires and may make a purchase of Shares pursuant to any such contract as if this authority had not expired.

13. That, as permitted by section 307A of the 2006 Act any general meeting of the Company (other than an Annual General Meeting of the Company) shall be called by notice of not less than 14 clear days in accordance with the provisions of the Articles of Association of the Company provided that the authority of this Resolution shall expire at the conclusion of the next Annual General Meeting of the Company.

Notes:**Entitlement to attend and vote**

1. The right to vote at the Meeting is determined by reference to the Register of Members. Only those Shareholders registered in the Register of Members of the Company as at 1.00 pm on 2 November 2011 (or, if the Meeting is adjourned, 1.00 pm on the date which is two days before the date of the adjourned meeting) shall be entitled to attend and vote at the Meeting in respect of the number of shares registered in their name at that time. Changes to entries in the Register of Members after that time shall be disregarded in determining the rights of any person to attend or vote (and the number of votes they may cast) at the Meeting.

Attending in person

2. If you wish to attend the Meeting in person, you must comply with the procedures set out in the notes to this Notice of Meeting by the dates specified in these notes.

Proxies

3. A Shareholder is entitled to appoint another person as his or her proxy to exercise all or any of his or her rights to attend, speak and vote at the Meeting. A proxy need not be a Shareholder of the Company.

A Shareholder may appoint more than one proxy in relation to the Meeting, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that Shareholder. Failure to specify the number of shares each proxy appointment relates to or specifying a number which when taken together with the numbers of shares set out in the other proxy appointments is in excess of the number of shares held by the Shareholder may result in the proxy appointment being invalid.

A proxy may only be appointed in accordance with the procedures set out in these notes and the notes to the Form of Proxy.

The appointment of a proxy will not preclude a Shareholder from attending and voting in person at the Meeting.

4. A Form of Proxy is enclosed. To be valid, a proxy form must be completed, signed and sent to the offices of the Company's registrar, Computershare Investor Services Plc, The Pavilions, Bridgwater Road, Bristol BS99 6ZY, so as to arrive no later than 1.00 pm on 2 November 2011 (or, if the Meeting is adjourned, no later than 48 hours before the time of any adjourned meeting).
5. As an alternative to completing the hard copy proxy form, a Shareholder may appoint a proxy or proxies electronically by lodging a Form of Proxy at www.eproxyappointment.com. For an electronic proxy appointment to be valid, the appointment must be received by Computershare Investor Services PLC no later than 1.00 pm on 2 November 2011 (or, if the Meeting is adjourned, no later than 48 hours before the time of any adjourned meeting). Any electronic communication sent by a Shareholder to the Company or Computershare Investor Services PLC which is found to contain a virus will not be accepted by the Company.

Appointment of proxies through CREST

Alternatively, if you are a member of CREST, you may register the appointment of proxy by using the CREST electronic proxy appointment services as follows:

6. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting and any adjournment(s) thereof by using the procedures, and to the address, described in the CREST Manual subject to the provisions of the Company's Articles of Association. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
7. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with CRESTCo's specifications and must contain the information required for such instruction as described in the CREST Manual. The message, regardless of whether it relates to the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 3RA50) by the latest time for receipt of proxy appointments specified above. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

8. CREST members and, where applicable, their CREST sponsors, or voting service provider(s) should note that CRESTCo does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
9. The Company may treat a CREST Proxy Instruction as invalid in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Corporate representatives

Any such request must:

- 13.1 identify the statement to which it relates, by either setting out the statement in full or, if supporting a statement requested by another Shareholder, clearly identifying the statement which is being supported;

15.2 must state the full name(s) and address(es) of the Shareholder(s); and

15.3 (where the request is made in hard copy form or by fax) must be signed by the Shareholder(s).

16. Shareholders have the right to ask questions at the Meeting relating to the business being dealt with at the Meeting in accordance with section 319A of the 2006 Act. The Company must answer any such question unless:

16.1 to do so would interfere unduly with the preparation for the Meeting or would involve the disclosure of confidential information;

16.2 the answer has already been given on a website in the form of an answer to a question; or

16.3 it is undesirable in the interests of the Company or the good order of the Meeting that the question be answered.
